Subject: Submission Form

I acknowledge that many ideas, programs, slogans, scripts, suggestions, and other literary, dramatic, or musical material which is submitted to you is similar to material previously used, previously submitted by others, or already under consideration by you. I further realize that you must protect yourself against any unwarranted claims by refusing to examine any material submitted to you unless you are assured that you shall have the unqualified right to determine finally whether such material or any part thereof is in fact used by you.

I am submitting certain material to you herewith (the "Submitted Material"). You agree that you shall not use the Submitted Material unless you shall first negotiate an agreement with me with respect to the rights of the Submitted Material. In order to induce you to consider the Submitted Material, I expressly agree that your decisions as to whether you, or your successors, assignees, or licensees have used all or any part of the Submitted Material, shall be

conclusive and binding upon all persons, firms, and corporations claiming through me. I also hereby irrevocably waive, release, and relinquish any and all claim which I, or any person, firm, or corporation claiming through me, may now or hereafter have against you, your successors, assignees and licensees, and you and their respective officers, employees and representatives in connection therewith.

I represent and warrant that I am the sole owner and author of the Submitted Material, that it is original with me, and that I have the exclusive right to submit it to you upon the terms and conditions of this letter. I retain all rights to submit the Submitted Material or any similar materials to persons other than you.

I understand that my Submitted Material is to include a brief paragraph synopsis that presents an overview of the work.
